How to order

1. Note the Helvinda code of each piece you want (for example **HV-OUT-014**) and an indicative quantity.
2. Send the list to **contact@helvinda.com**, or build it on **helvinda.com/ceramics** with "Add to enquiry".
3. We confirm price, minimum order, packing and lead time for your delivery address.
4. Samples can be requested before a production order.
5. Contract, export documentation and invoicing run directly with our Indian manufacturing partner; you import. We coordinate from Basel, in German or English.

Sizes in cm, converted from the manufacturer's inch measurements. H = height · D = diameter or width · L = length. Handmade pieces vary slightly in size and glaze. Colours on screen and in print may differ from the finished product.
